

ACSH Reviews Chemistry Set For 12-Year-Olds

By Ana-Marija Dolaskie — September 13, 2016

Last week, Dr. Julianna LeMieux brought her son to the office so they could test out a chemistry set by [MEL Chemistry](#) ^[1] for ages 12 and up. The fun, subscription product gets delivered to your door monthly, with two chemistry sets which make for a couple of fun family evenings. Unless you invite Dr. Josh Bloom and our president Hank Campbell over — and especially if they don't know the camera is on!
