

Dr. Jamie Wells Named One Of America's Top Pediatricians

By Hank Campbell — October 21, 2016

American Council on Science and Health Director of Medicine Dr. Jamie Wells has been named one of America's Top Pediatricians by Consumers' Research Council of America.

Dr. Wells is a Board-Certified physician who previously served as a Clinical Instructor/Attending at NYU Langone, Mt. Sinai-Beth Israel and St. Vincent's Medical Centers in Manhattan. In school she was President of the Yale Science and Engineering Association, and elected President of Jefferson Medical College's Alpha Omega Alpha National Medical Honor Society. She has also repeatedly been named a New York Super Doctor in New York Times magazine, making her among the top 5% of physicians as chosen by other doctors.

Sick of junk science and scaremongering about health? #GetWells!
