

# Top 5 Celebrity Science Claims We Can't Forget

*By Ana-Marija Dolaskie — June 27, 2017*

In the latest celebrity science flop, NASA officials called out Gwynneth Paltrow's company Goop for falsely promoting 'wellness stickers' made from NASA spacesuit material. Paltrow isn't the first nor last to make B.S. science claims to self-promote, so let's take a look at some of the most memorable Celebrity v. Science claims.
