Foofie Gets A Bamboo Sponge Bath.

For any of you expecting an erudite discussion about medicine, opioid policy, or even a chemistry lesson I apologize in advance. My week rhymed with "witty" and I need to vent. Fortunately, I was spoon fed the following, which isn't all that different than dropping Kobe beef into a tank of starving piranhas.

Just when you think you've seen it all

Bamboo toilet paper? Where to begin? **How about a contest?** Whoever comes up with the *worst* product slogan for this stuff wins a badass ACSH coffee mug! Get 'em while they last. I'll start*.

"Be kind to your rectum. Paper rolls? Just reject 'em" (mic drop)

** Disclaimer: I'm the judge AND a participant. The fix is in.*

Mmmmm!

Your turn.

[PUT YOUR ENTRIES IN THE COMMENTS SECTION, LOSERS]

Given the existence of bamboo toilet paper, isn't it only natural to wonder what other innovations NatureZway might offer? Look no further.

Here's another: NatureZway's bamboo dog sponge! But is the thing any good? Let's run an experiment...

1. Steve, a dog-loving planet-saver decides to try out the bamboo sponge on Foofie. Things start off well enough...

2. But, note the subtle change in Foofie's demeanor. Perhaps he didn't enjoy the bamboo dog sponge bath all that much.

3. He did not.

Footie, who has mysteriously changed color, breed, and size, expresses his displeasure to Steve.

And then, we have these things, which are compostable! But you pay a price for the compostability...

Natur-Bag - 18.5" x 21" Compostable Shopper
19 cents each

Plain Old Stinky Bags
2 cents each

That's sure a lot of money for a grocery bag. Almost highway robbery. Perhaps that's why it looks like the bag is holding its hands up. Maybe that's why this image comes to mind...

Well, boys and girls. I hope you've enjoyed the show. Don't forget to put your (losing) contest entries in the comments section. You might even finish second!
