

# Vapors and Emotions Rise at Hearing on E-Cigarettes

*By ACSH Staff — December 6, 2013*

Dr. Gilbert Ross in NYTimes, December 4, 2013

In a city where the technocratic mayor prides himself on making decisions based on the evidence, the proposed ban produced one of the most scientifically vague and emotionally charged health committee hearings in recent memory. [Read more](#) <sup>[1]</sup>
