

Giving Norovirus The Heave Ho?

By ACSH Staff — November 12, 2014

Dr. Josh Bloom on Science 2.0, November 11, 2014

Named after the location of first documented outbreak (Norwalk Ohio in 1968) norovirus, aka the "Stomach Flu," "Winter Vomiting Bug," or the "Cruise Ship Virus" is an evil little demon that spares no one. There are few, if any of us, who haven't experienced its misery; it infects 21 million people annually in the...[\[Read more\]](#).
