

Health Wrap: Vaccines in the media, flu shot alternatives, & the court of public opinion

By ACSH Staff — January 30, 2015

The latest in health news: anti-vaxxers stand by their beliefs while measles breaks in Disney and a new study confirms their safety, antiviral drugs may be the alternative to the failed flu shots but not all experts agree, and in the court of public opinion, fear-mongers win the debate over gmo and pesticide safety.
