

# The New York Times On Drugs - Wrong, Naive Or Misleading?

By ACSH Staff — March 4, 2015

Dr. Josh Bloom on *Science 2.0*, March 3, 2015

I never know what I'm going to find on the editorial pages of the *New York Times*. Sometimes I agree with them, and sometimes I don't. But, they usually, at the very least, make sense.

That streak ended on March 2nd, when the Times printed an editorial titled "[Painkillers Abuses and Ignorance](#) [1]." The paper really dropped the ball on this one. After reading it, I was left wondering whose ignorance...[\[Read more\]](#) [2].
