

# Crazy Joe Mercola Is Behind The "Times"

By ACSH Staff — March 23, 2015

Dr. Josh Bloom in *Science 2.0*, March 22, 2015

Let's give a big shoutout to [Gawker](#) [1]. They really stuck it to the Times by pointing out that their [columnist Nick Bilton](#) [2], who writes about technology, business, culture, and style (and should probably stick to... none of these?) ended up writing a [Style piece](#) [3] about potential health hazards of the new Apple Watch. This gives a new meaning to the expression...[\[Read more](#) [4].
